### **Executive Advisory Board Member – C-Level Executive Assistant**

Chantelle McGuire is an Executive Advisory Board Member with the About The Kids Foundation. Chantelle is a versatile C-Level Executive Assistant who excels at organization, process development and multi-tasking. She is in a position that quietly enables numerous day-to-day functions occur seamlessly through the strong support of the C-Level Executive she works with as well as her own multi talents that are applied to a number of tasks both short and long term.

Chantelle draws on her previous experiences at notable Silicon Valley Companies, Facebook and Juniper Networks, to provide a host of variable services which include overall observation of the flow of corporate human traffic, a keen eye to the overall security of the corporate environment, an engaging and welcoming attitude to all corporate visitors and the ability to accurately relay and record facts applicable to business flow and processes.

After graduation from Fremont High School in Sunnyvale, California, she attended specialized courses in Child Development with an eye to owning Day Care Facilities in the future as well as courses in Pharmacology to better understand the effects of medications on human behavior. However, the call of the corporate world was far more powerful and Chantelle decided she would be happier in an environment rich in brilliant technical minds. She is an advocate of women's rights in abuse cases and is a single mother. Chantelle and her son live in Santa Clara, California.
