

Aleksandar Vitomirov

Executive Advisory Board Member – Law Student and Aspiring Tech Transactional Attorney

Aleks Vitomirov is an Executive Advisory Board Member with About The Kids Foundation. He is a law student in his last year at Santa Clara University School of Law and holds a Bachelor of Arts in Biochemistry from the University of San Diego. Upon graduation from law school, he aspires to help emerging companies with legal issues in biotech and technology sectors.

Aleks has a legal and science background. As a Summer Associate at Wilson Sonsini Goodrich & Rosati, he worked on various legal matters ranging from reviewing biotech licensing agreements to drafting litigation documents for a pro-bono case. Previously, as an IP Law Clerk at Omni Legal Group, Aleks applied his biochemistry background in solving intellectual property issues. His experience in science stems from his undergraduate biochemistry coursework and from working as a bioinformatics research assistant.

In his spare time, Aleks enjoys spending time with family and friends, trying new restaurants, sport fishing, playing basketball, and giving back to the local community.
